

FINCA RESALSO 2014

"The expression of our youngest vineyard"

EMILIO MORO
BODEGAS

VARIETY

100% TINTO FINO

PRODUCTION

900.000 bottles of 0,75 l.

DETAILS OF THE HARVEST 2014

An extraordinary year, with a very rainy winter and a spring marked by high temperatures, favouring the vegetative growth of the vines. During the summer the temperature was slightly above average and rainfall was low, but thanks to the cool nights the vines did not suffer stress which greatly favoured a complete aromatic and polyphenolic maturity. The benevolent climate gave way to an early harvest which prevented the October rains from damaging the health of the grapes.

HISTORY

Finca Resalso is the name of an historic vineyard that was planted in 1932, the year of Emilio Moro's birth. This is the name we have given to our young wine, which is made from vines of between 5 and 12 years old.

TASTING NOTES

With its intense violet colour, very deep and lively, this wine honours the outstanding vintage of 2014. The nose is dominated, with remarkable intensity, by varietal aromas. Mature but still retaining the freshness and liveliness of its youth, in the form of red and black fruits. On the palate the mature tannins and the freshness of its acidity are highlighted, resulting in an ensemble that is very pleasant to drink.

PROCESS

4 months in French and American oak barrels.
