Novembre, 2012

La Vida al Camp is inspired by the “Cabaler,” Jaume Raventós’ book from 1898, where he explains his childhood experiences on the farm in Sant Sadurní d’Anoia. He is an ancestor of the Raventós family and describes in detail what life was like on the Penedés farms at that time and how farmers in the region worked the land with respect and love for local matters.

Novembre is blended with grapes from farmer friends of the region who work organically and share the same feeling of passion and vision for nature. Aged 3 months in oak barrels.

Tasting Notes

Novembre is a perfect combination thanks to its primary aromas, rounded tannins, silky texture and generous finish.

Mediterranean aromas, of spring fruits – strawberries, cherries.

Velvety tannins are noted on the palate with elegant flavours of licorice and black currant, which remind you of autumn.

The fresh hint that the Cariñena contributes, round out this delicious coupage Ull de Llebre (Tempranillo), Samsó (Cariñena), and Garnacha blend from Penedés.

A harmonious blend, where the sensation of fruit is clearly detected.

50% Ull de Llebre (Tempranillo)
30% Samsó (Cariñena)
20% Garnatxa
